Title:	Discussion of Marvin Loop Trail Maintenance		
Attachments:	Photos of Trail	Action Requested:	Give Consensus
Draft Motion:	No Motion Requested		
Budgetary Impact:	No Budgetary Action Required		

Background:

Potential tripping hazards were brought to staff's attention along the Marvin Loop Trail. Upon inspection of the trail, multiple spots were identified as tripping hazards. Staff made the spots visible through marking them with paint.

Current:

Quotes have been requested by the Village of Marvin's asphalt contractor. The quote for addressing specified tripping hazards included 90 square yards of milling and 20 tons of asphalt. That quote was \$3,280.00. Staff has requested an additional quote to include resurfacing the portion of Marvin Loop Trail from Marvin Elementary School to Wheat Field Drive. At the time of this report, staff had not received the quote for that project.
