BRTW Contact : Scott Brown: 704-929-0151 ([wmscottb93@gmail.com](mailto:wmscottb93@gmail.com))

BRTW Address : 227 East Front St., Stateville, NC 28677

#### Overview-

Construction on Enhanced Natural Surface Trail to the north of the Preserve Trail. It will connect to the sidewalk that starts at the end of Painted Turtle Ct., in an opening to the left a few hundred feet from the road. It will be an enhanced natural surface trail approximately 4' wide. It will require three 4' wide wooden bridges to cross two drainages & one

creek. From the Preserve, the 1st bridge will be 12' long, the 2nd will be 16' long, as will the 3rd. They will all have handrails. The Bridges will look like the bridge on The Preserve Trail. The route has been flagged & can be updated if requested.

Change Orders may be requested by Marvin.

## **QUOTATION:10/10/23**

ITEM			AMOUNT
Part 1) - Design & Build of a 4' Wide Enhanced Natural Surface Trail and 3 - 4' Wide Wooden Bridges.	Approximately		\$24,750.00
