**Background:**

In April, Council approved an irrigation vendor to proceed with installing lines for the RABs. Through a few months and attempts to get this work done, the vendor has been nonresponsive.

**Current:**

Attached are emails sent to 3 vendors last month; only one responded which is attached. According to the new purchasing policy, staff should get 2 quotes for items over \$10,000. When we went to quote in April, I sent to 7 vendors and only two responded.

Staff is asking Council to waive the two quote requirement and approve the contract as presented.
