**Title:** Consider Approval of AMT Asset Inventory Survey at a Cost Not to Exceed \$30,000

**Attachments:** Proposal **Action Requested:** Approve

---

**Draft Motion:** To Approve Entering Agreement with AMT Engineering to Conduct Asset Inventory at a Rate Not to Exceed \$30,000 and Authorize Manager to Execute Agreement.

---

**Budgetary Impact:** Budgetary Action Required

---

**Background:**

At the previous Council meetings, the discussion of assessing the possibility of General Obligation bonds has been explored. Since taking over roads, the Village has never conducted a survey to determine what is under the roadway (pipes, sizes, condition, etc.). All systems under the Village roadway would be responsibility of Marvin to maintain. Staff has been addressing failures as they arise on a case-by-case basis. While this information be handy to have on file, we do not have a formal process outlined for addressing these types of failures that will be discovered.

**Current:**

Please read the detailed task assignments in the agenda packet and determine if Council desires to have this information handy and what we would do with the information, once report is completed.
